

Sources of Research Funding for Dr. Kar. V. Miller

- Source: Georgia Department of Transportation
Title: Evaluation of alternate technologies to minimize deer-vehicle collisions
P.I.s: K. V. Miller, R. J. Warren, and G. Gallagher
Amount: \$400,000 Duration: pending
- Source: National Council for Air and Stream Improvement
Title: Continued evaluation of the effects of intensive pine plantation management on wildlife habitat quality
P.I.s: S. B. Castleberry and K. V. Miller
Amount: \$159,480 Duration: 2004-2007
- Source: USDA National Research Initiative
Title: Persistence of reduced herbivory in forest regeneration following localized management.
P.I.s: K. V. Miller, W. M. Ford, and T. A. Campbell
Amount: \$199,000 Duration: 2003-3005
- Source: Georgia Department of Natural Resources, Div. Parks, Recreation, and Historic Sites
Title: Population Ecology of White-tailed Deer on Red Top Mountain and Hard Labor Creek State Parks, Georgia.
P.I.s: R. J. Warren and K. V. Miller
Amount: \$62,195 Duration: 2003-2005
- Source: Bat Conservation International
Title: Relationship between bats and remnant forest corridors.
P.I.s: S. B. Castleberry and K. V. Miller
Amount: \$1,000 Duration: 2003-2004
- Source: U.S. Department of Interior, National Park Service
Title: Survey of bat community composition, relative abundances, and distribution at the New, Gauley, and Bluestone River National Park Areas.
P.I.s: S. B. Castleberry, W. M. Ford, M. A. Menzel, J. M. Menzel, and K. V. Miller
Amount: \$95,433 Duration: 2003-2005
- Source: Westvaco Company
Title: Bat activity, habitat use, and roosting ecology on an intensively managed forest with remnant corridors.
P.I.s: S. B. Castleberry and K. V. Miller
Amount: \$84,800 Duration: 2002-2004
- Source: The Australian Deer Research Foundation
Title: Hog deer on Sunday Island, Victoria: Partnerships hunters and researchers toward the conservation of wildlife
P.I.s: K. V. Miller
Amount: \$177,000 Duration: pending
- Source: USDA Forest Service
Title: Spatial heterogeneity and crown closure in young stands of longleaf pine and hardwoods: Effects on plant and small-vertebrate community turnover.
P.I.s: T. B. Harrington, K. V. Miller and R. F. Daniels
Amount: \$45,174 Duration: 2001-2003
- Source: Quality Deer Management Association
Title: Donation in support of white-tailed deer research.
P.I.s: K. V. Miller and R. J. Warren
Amount: \$26,000 Duration: 2001
- Source: USDA National Research Initiative
Title: Minimizing the impacts of herbivory in forest regeneration: a test of localized management.
P.I.s: K. V. Miller and W. M. Ford
Amount: \$225,000 Duration: 2000-2004
- Source: Moultree Feeders, Inc

Title: Donation of wildlife feeders for white-tailed deer research.

P.I.s: K. V. Miller and D. A. Osborn

Amount: \$3,599 Duration: 2000

Source: National Council for Air and Stream Improvement

Title: Effects of intensive pine plantation management on wildlife habitat quality.

P.I.s: K. V. Miller and T. Harrington

Amount: \$148,440 Duration: 2001-2004

Source: USDA, Forest Service

Title: Minimizing deer-vehicle collisions: a test of localized management.

P.I.s: K. V. Miller and J. C. Kilgo

Amount: \$199,560 Duration: 2000-2004

Source: USDA, Forest Service

Title: Evaluation of microsatellite loci in Central Appalachian oaks.

P.I.s: S. B. Castleberry, W. M. Ford, and K. V. Miller

Amount: \$5,000 Duration: 2000-2001

Source: Westvaco Company

Title: Using localized management of white-tailed deer herds to minimize impacts on hardwood regeneration areas: a field test of the rose-petal hypothesis.

P.I.s: K. V. Miller

Amount: \$60,000 Duration: 1997-2003

Source: Buckmaster's American Deer Foundation.

Title: White-tailed deer research

P.I.s: K. V. Miller

Amount: \$1,000 Duration: 1998

Source: Turner Foundation, Inc.

Title: Restoration of the Southern fox squirrel to St. Phillips and Hall Islands, South Carolina

P.I.s: K. V. Miller

Amount: \$45,588 Duration: 1998-2000

Source: Westvaco Company

Title: Initial survey of bats in the Westvaco Ecosystem Research Forest

P.I.s: B. R. Chapman, K. V. Miller, and W. M. Ford

Amount: \$25,000 Duration: 1997-1999

Source: Westvaco Company

Title: Small mammal studies in a mosaic landscape: the impact of harvesting and role of corridors in structuring communities

P.I.s: K.V. Miller, B. R. Chapman, and W. M. Ford

Amount: \$59,260 Duration: 1997-2000

Source: American Cyanamid Company

Title: ARSENAL herbicide for maintaining Northern Bobwhite quail habitat in fire-maintained pine forests

P.I.s: K.V. Miller

Amount: \$40,120 Duration: 1997-1999

Source: U.S. Dept. of Defense, U.S. Army

Title: Integrating red-cockaded woodpecker habitat management guidelines with the habitat requirements of neotropical migrating birds

P.I.s: K. V. Miller, B. R. Chapman, and M. B. Edwards

Amount: \$44,000 Duration: 1996-1998

Source: USDA Forest Service

Title: Vertebrate species composition and change relative to spatial heterogeneity and crown closure in young-aged longleaf pine stands

P.I.s: K. V. Miller and B. R. Chapman

Amount: \$49,957 Duration: 1995-1999

Source: USDA Forest Service
Title: Herbivory and plant interactions in bottomland hardwood experimental gaps (supplemental proposal)
P.I.s: K. V. Miller
Amount: \$14,000 Duration: 1996-1998

Source: USDA Forest Service
Title: Bat activity and habitat-use patterns in a bottomland hardwood forest with gaps
P.I.s: B. R. Chapman, J. Laerm, W. M. Ford, and K. V. Miller
Amount: \$79,450 Duration: 1995-1998

Source: National Science Foundation
Title: Ecology of white-tailed deer in Czechia: investigation of an unsuccessful stocking of an exotic ungulate
P.I.s: L. Bartos and K. V. Miller
Amount: \$32,000 + Kc 900,000 (\$31,034) Duration: 1996-1999

Source: Krause Publications, Iola, WI
Title: Research on biology and management of white-tailed deer
P.I.s: K.V. Miller
Amount: \$5,800 Duration: 1994

Source: USDA Forest Service
Title: Foraging efficiency of insectivorous passerines in relation to bottomland hardwood experimental gaps
P.I.s: K. V. Miller
Amount: \$21,000 Duration: 1996-1997

Source: Dr. A Eugene Westmoreland, Jr.
Title: Wildlife Research
P.I.s: K. V. Miller and B. R. Chapman
Amount: 2,000 Duration: 1995

Source: USDA Forest Service
Title: Herbivory and plant interactions in bottomland hardwood experimental gaps
P.I.s: K. V. Miller
Amount: \$110,066 Duration: 1994-1998

Source: U.S. Dept. of Defense, U.S. Army
Title: Integrating red-cockaded woodpecker management guidelines with neotropical migratory birds
P.I.s: K. V. Miller, B. R. Chapman, and M. B. Edwards
Amount: \$125,000 Duration: 1994-1996

Source: USDA Forest Service
Title: Influence of seral successional patterns and canopy closure on plant species composition and wildlife communities in young longleaf pine stands
P.I.s: K. V. Miller and B. R. Chapman
Amount: \$21,000 Duration: 1995-1997

Source: USDA Forest Service
Title: Production of "Herbicides and Wildlife Habitat: an annotated bibliography on the effects of herbicides on wildlife habitat and their use in habitat management"
P.I.s: K. V. Miller
Amount: \$2,000 Duration: 1995

Source: USDA Forest Service
Title: Initial survey of bats in The Gap Project Area
P.I.s: B. R. Chapman, J. Laerm, S. S. Chapman, W. M. Ford, and K. V. Miller
Amount: \$10,133 Duration: 1995-1996

Source: China Clay Producers Association
Title: Forest development and wildlife utilization of reclaimed kaolin mines
P.I.s: L. A. Morris, R. Hendrick, B. R. Chapman, and K. V. Miller
Amount: \$109,264 Duration: 1994-1996

Source: Game and Fish Publications, Inc.
Title: The Dooly County Experiment
P.I.s: R.L. Marchinton and K. V. Miller
Amount: \$45,000 Duration: 1993-

Source: USDA Forest Service
Title: A comparison of avian communities in bottomland hardwoods of different successional stages
P.I.s: K.V. Miller and B. R. Chapman
Amount: \$35,366 Duration: 1994-1995

Source: Hunter's Specialities, Cedar Rapids, Iowa.
Title: Semiochemical communication in white-tailed deer
P.I.s: K.V. Miller
Amount: \$10,000 Duration: 1994

Source: Georgia Department of Natural Resources, Wildlife Resources Division
Title: Effects of herbicide on wintering waterfowl habitat on the Altamaha Management Area
P.I.s: K. V. Miller
Amount: \$20,000 Duration: 1993-1995

Source: ATSKO, Inc., Orangeburg, SC
Title: An evaluation of ungulate rod and cone pigments
P.I.s: R. L. Marchinton and K. V. Miller
Amount: \$5,145 Duration: 1992

Source: USDA Forest Service
Title: Influence of stand size and surrounding habitat on the species diversity and nest success of migratory birds in hardwood forest remnants
P.I.s: K. V. Miller and B. R. Chapman
Amount: \$165,000 Duration: 1992-1995

Source: Stackpole Books, Inc.
Title: Production of book: "Quality Deer Management"
P.I.s: K. V. Miller and R. L. Marchinton
Amount: \$1,000 Duration: 1991-1993

Source: USDI Fish and Wildlife Service
Title: Effects of chemical site preparation on clearcut utilization by wintering migratory birds in the Southeast
P.I.s: B. R. Chapman and K. V. Miller
Amount: \$88,810 Duration: 1991-1994

Source: USDA Forest Service
Title: Herbicidal site prep: effects on biological diversity and environmental fate
P.I.s: K. V. Miller, J. Taylor, P. B. Bush, and D. G. Neary
Amount: \$260,000 Duration: 1991-1994

Source: Pennington Enterprises, Inc., Madison, GA.
