

# MFR IN FOREST BUSINESS MANAGEMENT

Program requirements or equivalent which must be completed before or during the MFR Program:

FORS 3010	Dendrology	FORS 6610	Forest Mensuration
FORS 3020	Forest Ecology	FORS 6620	Timber Management
FORS 4010	Silviculture		

The requirements for the degree of Master of Forest Resources are met by the completion of an approved program of a minimum of 33 semester hours of graduate course work, of which 13 semester hours must be in courses taken inside the School of Forest Resources and 9 semester hours must be in courses taken outside of the School. There are three major areas of course work in the MFR program: Forest Resources core, Forest Resources electives, and other electives. Each area is described in greater detail below. In addition, students must pass a final oral examination.

## 1. Forest Business Core (13 semester hours)

FORS 7750	Procurement and Management of Wood Fiber Supply	3 semester hours
FORS 7780	Timberland Accounting, Finance and Taxation	3 semester hours
ACCT 6000	Financial Accounting	3 semester hours
FINA 7010	Financial Management (or higher level FINA course)	3 semester hours

## 2. Forest Business Electives (Choose 9 semester hours)

FORS 6570	Practical Wood Identification	2 semester hours
FORS 7070	Forest Resource Consulting and Real Estate Practices	3 semester hours
FORS 7550	Contemporary Forest Products	3 semester hours
FORS 7630	Intensive Forest Management	3 semester hours
FORS 7640	Advanced Forest Management	3 semester hours
FORS 7710	Advanced Forest Economics	3 semester hours
FORS 7720	Forest Harvesting and Roads	3 semester hours
FORS 7760	Forest Products Marketing	3 semester hours
FORS 7790	Forest Finance Decisions	3 semester hours
FORS 7860	Resource Economics and Management	3 semester hours
FORS 7900	Forest Operations Management and Planning	3 semester hours
FORS 8010	Forest Business Seminar	1 semester hour
FORS 8020	Bioeconomy Seminar	1 semester hour
FORS 8060	Advanced Forest Policy and Law	3 semester hours

## 3. Other Electives (12 hours)

Student may choose courses to form a logical concentration in: Accounting (ACCT), Economics (ECON), Banking and Finance (FINA), Forest Resources (FORS), Legal Studies (LEGL), Management (MGMT), Management Science and Information Technology (MSIT), Marketing (MARK), Real Estate (REAL), Risk Management and Insurance (RMIN), Spatial Analysis and Planning (GIS), Statistics (STAT).
