WHO ARE WE?

Camp Kiwanis, located on the Broad River in Madison County, Georgia is owned and operated by the Boys & Girls Clubs of Metro Atlanta. We have been in operation since 1951, originally on Lake Alatoona, but relocated to Danielsville in 1990.

We are a year round 160 acre camp and nature facility. Some of the local community is still unfamiliar with us, due to the youth we serve during the summer. Our summer camp programs are only offered to the Boys & Girls Club members of the Metro Atlanta and some surrounding areas.

We are a year round 160 acre camp and nature facility. Some of the local community is still unfamiliar with us, due to the youth we serve during the summer. Our summer camp programs are only offered to the Boys & Girls Club members of the Metro Atlanta and some surrounding areas.

However, we are becoming a more integral part of the Madison County Community and want to continue to grow that relationship. Offering programs for locals including Family Camp weekends, Camp AMPED and Breakfast with Santa events, Camp Kiwanis is an American Camp Association accredited camp. We also partner with the Broad River Watershed Association, and the Madison County School District.

We have many volunteer and job opportunities for teens and young adults, and want to invite you to join us.

We welcome you to call or email us to get a tour of our facilities and become more familiar with what we can do for you. Whether it is a youth or adult group, staffing retreats or team building challenges, day use field trips or overnight, environmental education programs or family milestone event.
