

THE UNIVERSITY OF GEORGIA
REPORT OF STAFF ACTIVITIES
1999 - 2018

Academic History

Name:	Charles T. Bargeron IV	Date:	September 3, 2018
Department:	Entomology	Date of Birth:	March 19, 1977
Present Rank:	Public Service Associate	Date:	July 1, 2014
% of Salary Budgeted on:	Resident Extension <u>100%</u>	Research Administration	

ACADEMIC RECORD:

<u>Degree</u>	<u>Institution</u>	<u>Major Field</u>	<u>Year</u>
M.S.	Georgia Southwestern State University	Computer Science	2004
B.S.	Georgia Southern University	Computer Science	1999
A.S.	Abraham Baldwin Agricultural College	Computer Science	1997

ACADEMIC POSITIONS:

<u>Year</u>	<u>Organization</u>	<u>Position</u>
2014-present	The University of Georgia	Public Service Associate, 2/3 Forestry, 1/3 Entomology
2013-2014	The University of Georgia	Public Service Assistant, 2/3 Forestry, 1/3 Entomology
2010-2013	The University of Georgia	Public Service Assistant, Entomology
2008-2010	The University of Georgia	Technology Director, Entomology
2002-2008	The University of Georgia	Management Information Specialist, Entomology
2001-2002	The University of Georgia	Information Analyst II, Entomology
1999-2001	The University of Georgia	Computer Services Specialist IV, Entomology
1996-1999	The University of Georgia	Student Assistant, Entomology

PROFESSIONAL AND HONORARY SOCIETIES:

Southeast Exotic Pest Plant Council
 Georgia Exotic Pest Plant Council
 Florida Exotic Pest Plant Council
 National Association of Exotic Pest Plant Councils
 North American Invasive Species Network
 North American Invasive Species Management Association

PUBLICATIONS

Journal Articles: (18 career Journal Articles – 6 since appointment)

Grants or Gifts Received (63 career Grants for \$2,583,936 to UGA/ 42 GRANTS FOR \$1,549,687 since appointment)

Bargeron, C.T. First Detector Network in Georgia. \$33,413. USDA APHIS. 9/1/2018 - 8/31/2019.

Bargeron, C.T. Expanding Invasive.Org to Better Serve Images and Information on Pests of Regulatory Concern to the U.S. \$50,000. USDA APHIS. 5/1/2018 - 4/30/2019.

Bargeron, C.T. Georgia CAPS 2018-Pest Detection Survey. \$10,000. USDA APHIS. 3/15/2018 - 12/14/2018.

Bargeron, Charles T. Delivery of a Screening Application to Toxic Seeds. \$27,061. USDA APHIS. 3/1/2018 - 9/30/2018

McConnell, M. and C. T. Bargeron, Mobile Applications for Recording Wildlife Damage and Defining Population Distributions. \$5000. Mississippi Department of Wildlife, Fisheries, and Parks. 11/10/2017 - 11/9/2019

Bargeron, Charles T. EDDMapS Utah 2017 Updates. \$13,500. Utah Weed Supervisors Association. 10/1/2017 - 12/31/2017

Bargeron, Charles T. Cal-IPC Strengthening EDRR for Invasive Plants. \$5000. USDA Forest Service. 10/1/2017 - 12/31/2018

Bargeron, Charles T. and D.J. Moorhead. First Detector Network in Georgia. \$48,568. USDA APHIS. 9/1/2017 - 8/31/2018

Bargeron, Charles T. Washington Invasive Species App Updates. \$15,000. USDA APHIS. 8/1/2017 - 7/31/2018

Bargeron, Charles T. Tactical Invasive Plant Management Plan Development - App and Website Development. \$50,000. University of Minnesota. 7/1/2017 - 5/30/2020

Bargeron, Charles T. National Forest System Invasive Species Inventory and Mapping Initiative. \$335,000. USDA Forest Service. 7/1/2017 - 9/30/2022

Bargeron, Charles T. Maintenance of The Florida Invasive Species Partnership Websites and Support of EDDMapS Florida. \$11,837. Fla. Fish & Wildlife Conserv. Comm. 7/1/2017 - 6/30/2018

Bargeron, Charles T. Georgia CAPS 2017-Pest Detection Survey. \$10,000. USDA APHIS. 5/15/2017 - 3/14/2018

Bargeron, Charles T. Georgia DNR Bat Survey Smartphone App. \$11,381. Ga Dept of Natural Resources. 5/10/2017 - 6/9/2018

Bargeron, Charles T. Minnesota Department of Agriculture ISMTrack API for Palmer Amaranth. \$5000. Minnesota Department of Agriculture. 4/14/2017 - 6/30/2017

Bargeron, Charles T. Maintenance and Updates to the EDDMapS Midwest Website and an Associated GLEDN Smartphone App. \$54,290. Minnesota Department of Natural Resources. 3/15/2017 - 6/30/2019

Bargeron, Charles T. Wetland Package for Environmental Compliance Training. \$68,157. University of Wisconsin/USDA FSA. 3/1/2017 - 8/31/2017

Bargeron, Charles T. Guidance for Invasive Species Information. \$24,600. US Department of Interior. 1/1/2017 - 12/31/2017

Bargeron, Charles T. EDDMapS For Rocky Mountain BIA. \$17,277. US Department of Interior. 11/30/2016 - 9/30/2018

Bargeron, Charles T. Early Detection and Distribution Mapping (EDDMapS). \$19,054. USDA APHIS. 9/23/2016 - 3/22/2018

Bargeron, Charles T. Florida Invasive Species Partnership Website. \$23,000. US Department of Interior. 9/19/2016 - 8/31/2021

Bargeron, Charles T. EDDMapS Pro App Part 1. \$5000. Utah Weed Supervisors Association. 8/24/2016 - 6/30/2017

Bargeron, Charles T. EDDMapS Pro App Part 2. \$15000. Utah Weed Supervisors Association. 8/5/2016 - 12/4/2016

Bargeron, Charles T. Maintenance and Support of The Florida Invasive Species Partnership and Florida's Cooperative Invasive Species Management Areas (CISMAs) Websites. \$7,971. Fla. Fish & Wildlife Conserv. Comm. 7/20/2016 - 4/30/2017

Bargeron, Charles T. Expanding Invasive.Org to Better Serve Images and Information on Pests of Regulatory Concern to the U.S. \$50,000. USDA APHIS. 7/1/2016 - 6/30/2017

Bargeron, Charles T. and D.J. Moorhead. First Detector Network in Georgia. \$47,095. USDA APHIS. 7/1/2016 - 6/30/2017

Bargeron, Charles T. Georgia CAPS 2016 Subaward. \$10,000. Ga Dept of Agriculture. 6/1/2016 - 12/31/2016

Bargeron, Charles T. EDDMapS Pro - Smartphone/Tablet Application for Offline Data Collection and Visualization. \$7,500. Montana Department of Agriculture. 5/4/2016 - 10/31/2017

Bargeron, Charles T. Interfacing EDDMapS with Pre-Existing EOL Platforms. \$15,763. Smithsonian Institution. 4/15/2016 - 12/31/2017

Bargeron, Charles T. Pest Risk Assessment Smartphone/Tablet Application. \$25,000. Georgia Dept of Agriculture. 12/1/2015 - 7/31/2016

LaForest, J., Bargeron, C. Hurley, J. 2015. School IPM Pest Manager App. \$15,000. 12/1/2015 – 7/31/2016

Bargeron, Charles T. Georgia CAPS 2015 Subaward. \$8,936. Ga Dept Of Agriculture. 9/15/2015 - 12/31/2015

Toews, M., Buntin, D., Brenneman, T., Bargeron, C., Culbreath, A., LaForest, J., Schmidt, J. Design and Implementation of Qualitative Data Networks. \$174,306. USDA NIFA CPPM ARDP 2015-70006-24161. 9/1/2015 - 8/31/2018

G.K. Douce and C. T. Bargeron. Expanding Invasive.Org to Be a Source of Images and Information on Pests of Regulatory Concern to The U.S. - 2015. \$55,320. USDA APHIS. 7/1/2015 - 6/30/2016

Bargeron, Charles T. Healthy Trees, Healthy Cities Smartphone App. \$30,000. The Nature Conservancy. 4/28/2015 - 12/31/2015

Bargeron, Charles T. and D.J. Moorhead. Decision Support Smartphone App for Forest Health in the Eastern U.S. \$57,688. US Forest Service. 3/27/2015 - 3/31/2018

Bargeron, Charles T. EDDMapS West - Montana Noxious Weeds Module. \$9,000. Montana State University. 11/18/2014 - 6/30/2016

Bargeron, Charles T. and D.J. Moorhead. Evaluating Potential Resources to Track And Warn The Public Of Invasive Plant Species Impacts In Southern Florida - Revision - 1. \$10,000. CESU - Piedmont. 9/5/2014 - 8/31/2018

Bargeron, Charles T. Maintenance and Support of the Florida Invasive Species Partnership and Florida's Cooperative Invasive Species Management Areas (CISMAs) Websites - Revision - 2. \$13,470. Fla. Fish & Wildlife Conserv. Comm. 7/29/2014 - 6/3/2016

Bargeron, Charles T. Maintenance and Support of the Florida Invasive Species Partnership and Florida's Cooperative Invasive Species Management Areas (CISMAs) Websites - Revision - 1. \$5,500. Fla. Fish & Wildlife Conserv. Comm. 7/29/2014 - 4/30/2015

Bargeron, Charles T. and D.J. Moorhead. Development and Implementation of Tools for Use Nationally to Detect, Monitor and Manage Invasive Species and Their Biocontrol Agents - Revision - 1. \$132,500. US Department of Agriculture. 7/10/2014 - 6/30/2018

Bargeron, Charles T. and D.J. Moorhead. Development and Implementation of Tools for Use Nationally to Detect, Monitor and Manage Invasive Species and Their Biocontrol Agents. \$17,500. US Department of Agriculture. 7/10/2014 - 6/30/2017

ABOVE LINE DENOTES ACTIVITY SINE JULY 1, 2014

Bargeron, Charles T. and D.J. Moorhead Invasive Plant Identification and Record Input Smartphone App for Western Alaska. \$14,963. CESU - Piedmont. 4/1/2014 - 9/15/2017

Toews, M., P. Roberts and C.T. Bargeron. Development Stink Bug Id and Control Recommendations for Android Users. \$17,680. Cotton Incorporated. 1/1/2014 - 12/31/2014

Bargeron, Charles T. and D.J. Moorhead. Evaluating Potential Resources to Track and Warn the Public of Invasive Plant Species Impacts in Southern Florida. \$50,000. CESU - Piedmont. 9/5/2013 - 8/30/2015

Bargeron, Charles T. Developing an Online Community for The Wisconsin First Detectors Program. \$15,000. US Department of Agriculture. 5/1/2013 - 4/30/2014

Toews, M., P. Roberts and C.T. Bargeron. Dissemination of Southeastern Cotton Insect Control Recommendations. \$19,884. Cotton Incorporated. 1/1/2013 - 12/31/2013

Bargeron, Charles T., Digital Imagery for Pest Screening, Detection, Identification and Report Production, \$60,621. USDA APHIS PPQ. September 17, 2013 - September 16, 2014

Bargeron, Charles T., D.J. Moorhead. Evaluating Potential Resources to Track and Warn the Public of Invasive Plant Species Impacts in Southern Florida. \$50,000. U.S. Army Corps of Engineers. September 1, 2013 - August 31, 2014.

Bargeron, Charles T., Partnership to Manage the Southern IPM Center, \$273,112. USDA NIFA. September 1, 2012 - August 31, 2016. (\$3,775,520. total)

Bargeron, Charles T., Modify EDDMapS System, \$6,000. USDA Forest Service. August 7, 2012 - December 31, 2014

Bargeron, Charles T., D. B. Langston. J. H. Brock. Veg DR: Development of Smart Phone Applications For Identification And Management Of Vegetable Diseases. \$27,987. USDA NIFA. September 1, 2012 - August 31, 2014

Moorhead, D. J., C.T. Bargeron. Silvopasture Web Development Collaboration. \$15,255. USDA Forest Service. September 14, 2011 - May 30, 2014

Moorhead, D. J., C.T. Bargeron. NPS Invasive Plant Alert-A Mobile App. \$15,000. National Park Service Through Piedmont CESU. September 4, 2012 - February 28, 2014

Bargeron, Charles T. Invasive Plants in Southern Forests iPhone App. \$36,000. USDA Forest Service. May 24,

2011 - February 28, 2014

Douce, G. K., C. T. Barger. Digitization and Availability of Proceedings of the International Symposium on Biological Control of Weeds. \$285,007. USDA Forest Service. February 1, 2010 - February 28, 2014

Barger, Charles T., G. K. Douce. Operation, Expansion and Upkeep of Forestry Images and Bark and Woodboring Beetles Of The World Web Information Systems. \$30,000. USDA Forest Service. July 1, 2011 - September 30, 2013

Barger, Charles T., Digital Imagery for Pest Screening, Detection, Identification and Report Production. \$46,725. USDA APHIS PPQ. September 17, 2012 - September 16, 2013

Douce, G. K., C. T. Barger. Push IPM: Implementing Push Technology to Keep IPM Practitioners Informed About High Consequence Pests. \$49,915. USDA NIFA. September 1, 2012 - August 31, 2013

Barger, Charles T., Diagnostic Image Series Development for Supporting IPM in the North Central Region. \$13,000. Purdue University (subaward from USDA NIFA). September 1, 2011 - August 31, 2013

Barger, Charles T., Diagnostic Image Series Development for Supporting IPM In The Southern Region. \$13,000. University of Florida (subaward from USDA NIFA). September 1, 2011 - August 31, 2013

Moorhead, D. J., C.T. Barger. Cogongrass Detection, Eradication, And Education and Forest Pests Detection and Education Project. \$18,000. Clemson University (subaward from USDA Forest Service). July 1, 2012 - June 30, 2013

Barger, Charles T., G. K. Douce. Developing IDPic's Contributor Interface. \$20,100. USDA APHIS PPQ. September 15, 2011 - September 14, 2012

Barger, Charles T., G. K. Douce. North Central Integrated Pest Management Center: A Regional Approach to Pest Management Implementation. \$7,000. South Dakota State University (subaward from USDA NIFA). March 15, 2010 - March 1, 2011

GRANTS OR GIFTS PENDING (4 career Grants for \$105,335)

Barger, Charles T. Maintenance and Support of The Florida Invasive Species Partnership and Florida's Cooperative Invasive Species Management Areas (CISMAs) Websites. \$11,835. Fla. Fish & Wildlife Conserv. Comm. 8/16/2018 – 8/15/2019

Barger, Charles T. EDDMapS Utah 2018 Updates. \$13,500. Utah Weed Supervisors Association. 8/1/2018 - 12/31/2018

Barger, Charles T. Healthy Trees, Healthy Cities Smartphone App. \$15,000. The Nature Conservancy. 8/1/2018 – 7/31/2019

Barger, Charles T. Toxic Plant Disseminule Identification Resource Development. \$65,000. USDA APHIS. 9/30/2018 – 2/29/2020

GRANTS OR GIFTS PROPOSED BUT NOT FUNDED (13 career Grants for \$4,409,769/ 3 GRANTS FOR \$1,425,335 SINCE APPOINTMENT)

Vellidis, G., Porter, W., and Barger, C.T. Integrated Applications and Outreach for Sustainable Agricultural Water Management. \$874,805. USDA NIFA. 7/1/2017 - 6/30/2022.

Schmidt, J.A., Ahmad, Barger, C.T., Giovengo, K., Kramer, E. and Pennisi, S. Determining the Roles of a Management Gradient and Floral Provisioning on Beneficial Communities and Multi-Trophic Interactions. \$497,974. USDA NIFA. 1/1/2017 - 12/31/2020.

Bargeron, C.T. iSpy-Invasives: An Innovative Program Fostering Stem Literacy Through Citizen Scientist Partnerships, \$350,000. University of Connecticut (subaward from NSF). August 1, 2013 - July 31, 2018.

Braman, K., Bargeron, C. T., Hudson, W. G., and Williams-Woodward, J. Mobile Diagnostic Key for Urban Agriculture Pest Identification with Integrated Pest Management Practices Prescriptions, \$47,962. USDA NIFA. October 1, 2013 – September 30, 2015.

Bargeron, C.T., and Batchelor, R. Gamification of Species Identification. \$982,120. NSF. September 1, 2013 - August 31, 2015.

Risse, L.M., Bargeron, C.T., Moorhead, D.J., and Giovengo, K.E. Native Plant Search Engine App. \$52,556. GA Dept of Natural Resources. 10/1/2014 - 9/30/2016.

Moorhead, D.J., and Bargeron, C. T. Software Solutions that Integrate Invasive Species Data and Facilitate Decision Support Diverse Stakeholder Needs, \$493,715. Colorado State University (subaward from NSF). February 1, 2012 - January 31, 2017.

Liguori, L.A., Bargeron, C. T., Calabria, J., Moorhead, D. J., and Vick, R. Meeting Coastal NPS Program Requirements: Sustainable Landscaping Certification, Green Infrastructure Stormwater BMPs And Native Plant Search Engine App, \$395,140. Georgia Environmental Protection Division. October 1, 2013 - September 30, 2015.

Bargeron, C.T., and Smith, P. Unifying Organic and Conventional Vegetable Production Pest Management Information Delivery Via Database and Smartphone Applications, \$74,300. Georgia Department of Agriculture. October 1, 2012 - September 30, 2014.

Moorhead, D.J., and Bargeron, C.T. Enhancing Conservation Effectiveness Through Regional Invasive Plant Prioritization, \$20,000. California Invasive Plant Council (subaward from USDA NRCS). October 1, 2011 - September 30, 2013.

Bargeron, C.T. Development of a North East Region Bugwood Node to Collect and Catalog Images for Use as a Reference Tools by Diagnosticians and Identifiers. \$13,497. Cornell University (subaward from USDA NIFA). October 1, 2011 - September 30, 2013.

Toews, M., Bargeron, C.T., Roberts, P., Shurley, W., and Haidekker M.A System Approach to Rapid and Cost Effective Cotton Boll Rot Management. \$553,131. USDA NIFA. Management of Arthropod- or Nematode-vectored Plant Pathogens, AFRI. September 1, 2012 – August 31, 2016.

CONTRACTS (60 career total, \$552,426.95 – 42 since appointment, \$301,510.95)

2018 - \$78,129.26

New Jersey Invasive Species Strike Team Website and Smartphone App - Friends of Hopewell Valley Open Space – \$2,500

Phragmites Adaptive Management Framework - University of Georgia / USGS – \$9,765.10

SIIPA model into web-based application - Florida Forest Service - \$10,000

Redesign of FLEPPC website – FLEPPC - \$2,000

Great Lakes Early Detection Network to Support Wisconsin's First Detector Network – Univ. of Wisconsin - \$3,000

Travel Support - Utah Weed Control Association – \$1,433.16

ISMTrack AIS Trackers – Univ. of Minnesota - \$4,000

Phragmites Adaptive Management Framework - University of Georgia / USGS – \$37,431

Great Lakes Early Detection Network Smartphone App Maintenance - Ohio State University – \$3,000

Southeast Early Detection Network for Weed Science students – University of Georgia - \$5,000

2017 - \$53,428.78

Release of Beneficial Organisms (ROBO) Database - Colorado State University – \$4,500

Alaska Weed ID Smartphone App - University of Alaska Fairbanks – \$1000

Travel Support - Utah Weed Control Association – \$1163.68

Stop School Pests - IPM Institute of North America – \$10,000

Phragmites Adaptive Management Framework - University of Georgia / USGS – \$9,765.10

ISMTrack Minnesota - University of Minnesota Extension – \$5,000

EDDMapS Ontario - Ontario Federation of Anglers and Hunters – \$2,000

Alaska Weed Id Smartphone App - University of Alaska Fairbanks – \$2,000

New Jersey Invasive Species Strike Team Website and Smartphone App - Friends of Hopewell Valley Open Space – \$2,500

Spatial Invasive Infestation and Priority Analysis Model - Florida Forest Service – \$13,000

Great Lakes Early Detection Network to Support Wisconsin's First Detector Network - University of Wisconsin – \$2,500

2016 - \$27,500

EDRR Citizen Science Program Technical Support - Pacific Northwest Invasive Plant Council – \$2,500

EDDMapS Ontario - Ontario Federation of Anglers and Hunters – \$4,000

Alberta Weed Spotter App Updates - City of Edmonton – \$3,000

IPCCConnect - Invasive Plant Tracking Smartphone App and Website - Invasive Plant Control, Inc – \$18,000

2015 - \$117,953.91

Web-based P loss Nutrient calculator - IPM Institute of North America, Inc. – \$3,000

Travel Support - Utah Weed Control Association – \$1,242.05

Travel Support - Montana Department of Agriculture – \$1,296.96

New Jersey Invasive Species Strike Team iOS and Android smartphone apps - New Jersey Invasive Species Strike Team – \$3,000

Mid-Atlantic Early Detection Network app for Android platform - University of Maryland – \$4,500

IPCCConnect for University of Minnesota and Minnesota Dept of Agriculture - Invasive Plant Control, Inc – \$7,868

iBiocontrol smartphone app for iOS and Android - Utah Weed Control Association – \$20,000

IAIdentify Native Plant Smartphone App - Iowa Stormwater Education Partnership – \$5,000

Great Lakes Early Detection Network Smartphone App to support Wisconsin's First Detector Network - University of Wisconsin – \$4,999

Great Lakes Early Detection Network Smartphone App Maintenance - Ohio State University – \$4,000

EDDMapS for Minnesota Dept of Natural Resources - Invasive Plant Control Inc – \$24,047.90

EDDMapS Alberta website, iOS and Android apps - Alberta Invasive Species Council – \$15,000

IPCCConnect - Invasive Plant Tracking Smartphone App and Website - Invasive Plant Control, Inc – \$24,000

2014 - \$21,499

NY Invasives smartphone app for iPhone and Android - Cornell Local Roads Program – \$7,500

Great Lakes Early Detection Network Smartphone App to support Wisconsin's First Detector Network - University of Wisconsin – \$4,999

Great Lakes Early Detection Network Smartphone App Maintenance - Ohio State University – \$4,000

EDDMapS Ontario Smartphone Development - Ontario Federation of Anglers and Hunters – \$5,000

2013 - \$25,999

EDDMapS Ontario - Ontario Federation of Anglers and Hunters – \$12,000

Expansion of Great Lakes Early Detection Network smartphone app for Wisconsin – \$4,999

Development and hosting of Great Lakes Early Detection Network – Ohio State University – \$9,000

2012 - \$159,763

Pacific Northwest Early Detection Network smartphone apps and website for Oregon Department of Agriculture – \$75,600

Hosting and support of EDDMapS ArcGIS server and website for MIA Consulting – Idaho – \$3,200

Redesign and Hosting of Midwest Invasive Plant Network website – \$1,500

Development of Landscape Alternatives to Invasive Plants of the Midwest smartphone app – \$15,000

EDDMapS Prairie Region - Invasive Species Council of Manitoba – \$4,500

Website & App Development, Invasive Plant Control – \$32,602

North American Invasive Species Network website and web services – \$27,361

2011 - \$68,154

Website & App Development, Invasive Plant Control – \$22,404

EDDMapS integration, Chicago New Invaders Watch Program – \$7,500

EDDMapS integration, Invasive Plant Atlas of New England – \$20,000

EDDMapS Alberta, Alberta Invasive Plant Council – \$10,000

EDDMapS Spotted-winged Drosophila Trapping Distribution, North Carolina State University – \$3,000

Website Development, Potomac Highlands Cooperative Weed & Pest Management Area – \$750

Florida Land Steward Website Development, University of Florida – \$1,500

TNC Southern Illinois Strike Team Work Order website – \$3,000

RECOGNITIONS AND OUTSTANDING ACHIEVEMENTS (24 career Awards – 6 since appointment)

2018. International IPM Award of Excellence for Megacocta Working Group, based in the University of Georgia's College of Agriculture and Environmental Sciences (Team)

2016. Award for Excellence in Outreach. Warnell School of Forestry and Natural Resources.

2016. Silver Award of Excellence - Extension Publication: Invasive Insects in Georgia. Southern Regional Extension Forestry.
2015. Regional Extension Forestry & Natural Resources Award: Integrated Mobile Web-Based Educational Tools for Southeast Early Detection Network. Southern Regional Extension Forestry.
2015. Regional Extension Forestry & Natural Resources Award: Computerized Resource Library for Decision Makers for Georgia Forest Productivity Website - Bugwood.org/productivity. Southern Regional Extension Forestry.
2015. Regional Extension Forestry & Natural Resources Award: Extension Publication for Forest Pest Insects in North America: A Photographic Guide. Southern Regional Extension Forestry.

ABOVE LINE DENOTES ACTIVITY SINCE JULY 1, 2014

2013. Family Forest Education Award - the National Woodland Owners Association (NWOA) and National Association of University Forest Resources Programs (NAUFRP)
2013. Award of Excellence for Invasive Plant Research, Outreach and Education by the Southeast Exotic Pest Plant Council
2012. Friends of IPM Bright Idea Award – Southern Region IPM Center
2012. Gold Award for Excellence - National/International project. EDDMapS-Early Detection and Distribution Mapping System (www.eddmaps.org). Southern Regional Extension Forestry.
2012. Gold Award for Excellence – Video. Cogongrass in Georgia. Southern Regional Extension Forestry.
2012. Silver Award for Excellence – Computer Software and/or Website. I'veGot1-Identify and Report Invasive Animals and Plants in Florida. Southern Regional Extension Forestry.
2012. Gold Award for Excellence – Extension Publication. A Land Manager's guide to the best management practices (BMPs) to reduce the introduction and spread of invasive species
2012. Silver Award for Excellence – Extension Publication. A Homeowners guide to preventing the introduction and spread of invasive plants in GA
2012. Secretary of Interior's Partners in Conservation Award for Everglades Cooperative Invasive Species Management Area
2009. "Genius Award" by the Mid-Atlantic Exotic Pest Plant Council
2008. Bronze Award for Excellence – Website. Bark and Wood Boring Beetles of the World, www.barkbeetles.org. Southern Regional Extension Forestry
2008. Advocate of the Year, "For Extraordinary Service Furthering The Goals of The Florida Exotic Pest Plant Council" by the Florida Exotic Pest Plant Council
2006. Award for Excellence – Extension Publication. Invasive Weeds in Georgia: You can help stop their spread. Southern Regional Extension Forestry
2004. Award for Excellence – Exceptional Programming in Computer Software: Invasive Plants of the Eastern United States: Identification & Control CD-ROM. Southern Region Extension Forest Resource Specialists.
2003. Award for Excellence – Exceptional Programming in Computer Software/Website: Invasive.org. Southern Region Extension Forest Resource Specialists.

2002. Award for Excellence – Exceptional Programming in Computer Software/Website: ForestryImages.org: The Source for Forest Health and Silvicultural Images. Southern Extension Foresters Association.
2001. Award for Excellence – Computer/Software Application: The Bugwood Suite of Websites. Southern Extension Foresters Association.
2000. Award for Excellence – Computer/Software Application: Forest Pests of North America Photo CD Series. Southern Extension Foresters Association.

EMPLOYEE SUPERVISION (16 EMPLOYEES)

- Dasari S, Application Programmer Associate, November 1, 2017 – Present
- Beyke R, Research Assistant, September 13, 2017 – Present
- Patel K, Application Programmer Associate, August 3, 2017 - Present
- Branch A, Application Programmer Associate, January 1, 2017–June, 16, 2017
- Lubbers M, Data Entry, August 15, 2016–Present
- Moss E, Forest Health Technician, May 9, 2016–Present
- Bush B, Web Programmer Specialist, March 16, 2015–Present
- Liles M, Web Programmer Specialist, August 15, 2014–August 4, 2016
- Swain S, Web and Publications Specialist, June 2, 2014–Present
- Daniel J, Smartphone Application Developer, April 8, 2013 – Present
- Wallace R, EDDMapS Data Coordinator, March 1, 2011 - Present
- David R, Web and Mobile Application Programmer, May 14, 2012–November 25, 2016
- Sikora W, Laboratory Technician/Insect Taxonomy, January 1, 2010–Present
- Harris M, Data Entry, May 14, 2010 – 2014
- Rawlins K, Invasive Species Coordinator, August 17, 2009 – Present
- McAllister S, March 26, 2001 - Present

PROFESSIONAL PAPERS PRESENTED AT INTERNATIONAL, NATIONAL, REGIONAL, AND STATE MEETINGS: (* indicates presentation by co-author)

International: (74 career Presentations, 33 as presenter – 30 since appointment, 19 as presenter)

- *Wallace, R., Barger, C.T., and LaForest J.H. 2018. Tracking invasive species over time: lessons learned from 13 years of Early Detection & Distribution Mapping Systems (EDDMapS). International IPM Symposium. 3/20/2018. 0.25 hours. 55 participants.
- Barger, C.T. 2017. Healthy Trees Healthy Cities App Rollout. 13th Annual Continental Dialogue on Non-Native Forests Insects and Diseases Meeting. Savannah, GA, United States. 11/9/2017. 0.2 hours. 60 participants.
- Barger, C.T. 2017. Weed Biocontrol EDDMapS Workshop. North American Invasive Species Management Association Annual Meeting. Reno, NV, United States. 10/26/2017. 4 hours. 60 participants.
- Barger, C.T. 2017. Invasive Species Early Detection and Rapid Response Information Management. North American Invasive Species Management Association Annual Meeting. Reno, NV, United States. 10/25/2017. 0.3 hours. 94 participants.
- Barger, C.T. 2017. ABCs of Invasive Species Organizations. North American Invasive Species Management Association Annual Meeting. Reno, NV, United States. 10/25/2017. 0.3 hours. 30 participants.
- *Moorhead, D.J., Wallace, R., and Barger, C.T. 2017. NAISMA Mapping Standards. North American Invasive Species Management Association Plenary Session. North American Invasive Species Management Association, Reno, NV, United States. 10/24/2017. 0.5 hours. 215 participants.
- Barger, C.T. 2017. Play Clean Map Go. PlayCleanGo Summit. Reno, NV, United States. 10/23/2017. 0.3 hours. 85 participants.

- Bargeron, C.T. 2017. North American Invasive Species Network. North American Invasive Species Forum. Savannah, GA, United States. 5/10/2017. 0.2 hours. 85 participants.
- Bargeron, C.T. 2017. North American Invasive Species Network. 3rd National Invasive Alien Species Forum. Ottawa, Ontario, Canada. 3/1/2017. 0.25 hours. 80 participants.
- *Bostick, N., Schmidt, J., Bargeron, C.T., Brenneman, T., Culbreath, A.K., Buntin, G. D., . . . Toews, M. 2017. Improving crop pest management using qualitative data networks. In Entomological Society of America. Denver, CO
- *Wallace, R., and Bargeron, C.T. 2017. Data Aggregation: Data goes in, data goes out. You can't explain that!. In 20th International Conference on Aquatic Invasive Species.
- Bargeron, C.T. 2016. EDDMapS 2016 Update. NAISMA Annual Conference. North American Invasive Species Management Association. Salt Lake City, UT, United States. 9/28/2016. 0.5 hours. 165 participants.
- Bargeron, C.T. 2016. EDDMapS 2016 Update. Ontario Federation of Anglers and Hunters. 6/9/2016. 1 hours. 5 participants.
- Bargeron, C.T., and LaForest, J.H. 2016. Bugwood Information Technology Systems. International Society for Pest Information. 4/13/2016. 1 hours. 5 participants.
- *Toews M.D., Bostick N., Schmidt J., Bargeron C.T., Brennema, T., Culbreath A., . . . LaForest, J. 2016. Improving crop pest management using qualitative data networks. In XXV International Congress of Entomology. Orlando, Florida: Entomological Society of America.
- Bargeron, C.T. 2016. Smartphones: changing the way invasive species are reported. In 9th International Conference on Biological Invasions. Vianden, Luxembourg.
- Bargeron, C.T. 2016. Perspectives of an early detection system with Citizen Science reporters. In XXV International Congress of Entomology. Orlando, Florida: Entomological Society of America.
- *LaForest, J.H., Bargeron, C.T., and Douce, G.K. 2016. What Happens When Pest Occurrence Data is Shared: End of the World or New Horizons? In XXV International Congress of Entomology. Orlando, Florida: Entomological Society of America.
- *Wallace, R., LaForest, J.H., and Bargeron, C.T. 2016. Perspectives of a network hub: Accommodating data standards and providing services for self-service exchange of information. In XXV International Congress of Entomology. Orlando, FL: Entomological Society of America.
- Bargeron, C.T. 2015. EDDMapS Alberta. Alberta Invasive Species Council. 11/3/2015. 1 hours. 3 participants.
- *LaForest, J.H., and Bargeron, C.T. 2015. The Bugwood Center's Early Detection and Distribution Mapping System. International IPM Symposium. 3/23/2015. 1 hours. 40 participants.
- Bargeron, C.T., and Hallett, R. 2015. Healthy Trees Healthy Cities Smartphone App. In Continental Dialogue on Non-Native Forest Insects and Diseases Annual Meeting. Denver, CO, United States.
- *Moorhead, D.J., and Bargeron, C.T. 2015. Adoption of All Taxa Invasive Species Mapping Standards. In North American Invasive Species Management Association Annual Conference. Vancouver, BC: North American Invasive Species Management Association.
- Bargeron, C.T. 2015. Tracking Invasive Species across North America: EDDMapS & EDDMapS Smartphone Apps. In 13th International Conference on Ecology and Management of Alien Plant Invasions. Waikoloa, HI, United States.
- *Douce, G., Bargeron, C.T., and Moorhead, D.J. 2014. EDDMapS & Bugwood Apps: using information technology & Partnerships to deal with invasive species across North America. In NEOBIOA Conference on Biological Invasions. Antalya, Turkey: NEOBIOA.
- Bargeron, C.T. 2014. Apps in Invasive Species Monitoring. In *Continental Dialogue on Non-Native Forest Insects and Diseases Annual Meeting*. Charlotte, NC, United States.
- *Douce, G., Bargeron, C.T., and Moorhead, D.J. 2014. EDDMapS Europe: A possible framework for a European / North American Coalition to deal with Invasive Alien Species. In *European Union Information Systems for Alien Species meeting*. Antalya, Turkey: European Union COST Action TD1209.

- Bargeron, C.T. 2014. EDDMapS Ontario Update. Online: Ontario Federation of Anglers and Hunters.
- Bargeron, C.T. 2014. Demonstrating EDRR – Examples of When An Ounce of Prevention is Worth a Pound of Cure. In North American Invasive Plant Short Course. Online.
- Bargeron, C.T. 2014. Database Options for Tracking Invasive Plants. In North American Invasive Plant Short Course. Online.

ABOVE LINE DENOTES ACTIVITY SINCE JULY 1, 2014

- *Douce, G., and Bargeron, C.T. 2013. Mobile applications that engage users with invasive species, forest health, natural resource and agricultural management. 24th USDA Research Forum on Invasive Species - Douce. In USDA Research Forum. Annapolis, MD, United States.
- *Douce, G., Bargeron, C.T., and Moorhead, D.J. 2013. Information technology systems to support invasive species education. In Annual Meeting. Pittsburg, PA: Continental Dialogue on Non-native Forest Insects.
- *Douce, G., Moorhead, D.J., and Bargeron, C.T. 2013. Thinking outside of the Box - Collaboration across international boundaries. In Pathway Evaluation and Pest Risk Management in Transport (of invasive species) workshop. Treviso, Italy: European Union.
- Bargeron, C.T. Ontario EDDMapS Demo and discussion - Ontario Federation of Anglers & Hunters. Online. December 6, 2012.
