

Dr. Puneet Dwivedi

Associate Professor (Sustainability Sciences)

Warnell School of Forestry and Natural Resources, University of Georgia

Building # 4, Room # 114, 180 E Green Street, Athens, GA 30602

Phone: +01-706-542-2406 Fax: +01-706-542-8356 Email: puneetd@uga.edu

Research Interests

Forest Policy and Economics; Forest Certification; Forest Carbon Modeling; Timber Markets; Forest Landowners, Sustainable Bioenergy Development; Technology Adoption; Ecosystem Services.

Technical Skills

Economic Modeling; Simulation Modeling; Life-Cycle Assessment; Social Network Analysis; Multi-Criteria Analysis; Q Sort; Cultural Consensus Analysis.

Professional Experience

1. Associate Professor (Sustainability Sciences), Warnell School of Forestry and Natural Resources, University of Georgia (July 01, 2018-Current)
2. Assistant Professor (Sustainability Sciences), Warnell School of Forestry and Natural Resources, University of Georgia (October 01, 2013-June 30, 2018)
3. Postdoctoral Research Associate, Energy Biosciences Institute, the University of Illinois at Urbana-Champaign, Urbana, Illinois, USA (August 16, 2012-September 30, 2013; Advisor: Dr. Madhu Khanna)
4. Postdoctoral Research Associate, Yale Climate and Energy Institute, School of Forestry & Environmental Studies, Yale University, New Haven, Connecticut, USA (July 05, 2010-August 15, 2012; Advisor: Dr. Robert Bailis)
5. Graduate Assistant, School of Forest Resources & Conservation, University of Florida, Gainesville, Florida, USA (August 2006-May 2010)
6. Program Officer, Natural Resource Management Division, Winrock International India (now InsPIRE Network for Environment), New Delhi, India (February 2006-July 2006)
7. Program Associate, Natural Resource Management Division, Winrock International India (now InsPIRE Network for Environment), New Delhi, India (April 2005-January 2006)

Education

1. Doctorate, School of Forest Resources and Conservation, University of Florida (Aug 2006-May 2010)
 - Major (Forest Policy & Economics), School of Forest Resources & Conservation
 - Minor (Food & Resource Economics), Food & Resource Economics Department
2. MBA (Forestry) at the Indian Institute of Forest Management, Bhopal (June 2003-Mar 2005; Silver medalist)
3. Bachelor of Engineering (Mechanical) at the Institute of Engineering & Technology, Devi Ahilya University, Indore (July 1999 - May 2003; Distinction holder and Silver medalist)

Professional Recognition

1. Focus on Faculty, University of Georgia <https://news.uga.edu/puneet-dwivedi/>. March 24, 2019.
2. The University of Georgia Office of Sustainability Outstanding Faculty Award 2018 for demonstrating in dedicated efforts to conserve natural resources, advance sustainability initiatives, and improve quality of life, both on and off-campus.
3. International Union of Forest Research Organizations (IUFRO) Outstanding Doctoral Research Award 2014 in the thematic area of "Forest Operations Engineering and Management." This award is given to a recent doctoral student worldwide every fifth year by the Board of IUFRO.

Professional Fellowships

1. Teaching Academy Fellowship at the University of Georgia (2015-2016).
2. The Yale Climate and Energy Institute's Postdoctoral Fellowship (2010-2012).
3. Alumni Fellowship at the University of Florida, Gainesville, Florida (2006-2010).
4. Sir Ratan Tata Travel Grant for Higher Studies at the University of Florida, Gainesville, Florida.
5. Swedish International Development Agency Fellowship at Indian Institute of Forest Management (2003-2005).

Academic Advisor and Mentorship

Major Advisor (#17) *Students on research grants

Current Doctoral Students (#08): Parag Kadam (2019-present) | Kazi Ullah* (2018-present) | Noah Goyke* (2017-present) | Omid Karami* (2017-present) | Ranjit Bawa* (2017-present) | Farhad Masum (2017-present) | Fabio Secanho* (2017-present) | Karuna Paudel (2016- present).

Current MS Students (#03): Hosne Ara Ratri* (2018-present) | Madisen Fuller* (2019-present) | Caroline Karnatz (2019-present).

Past Graduate Students (#03):

Arundhati Jagadish (2014-2018; Ph.D.): Postdoctoral Research Associate at the Conservation International
Suraj Upadhaya (2015-2019; Ph.D.): Postdoctoral Research Associate at the Iowa State University

Asiful Alam (2017-2019; M.S.): Professional, HCMP, BRAC.

Chantal Tumpach (2016-2018; MS): Doctoral student at Oregon State University

Surendra Shrestha (2014-2016, MS): Doctoral student at Clark University

Graduate Committee Member (#6)

John McGreevy (Ph.D.) | Xiaorui Piao (Ph.D.) | Sebastian Granados (MS) | Wanjing Hu (MS) | Andrew Copley (MS) | Lauren Mullenbach (MS)

Undergraduate Advisor (#9, Center for Undergraduate Research Office, University of Georgia)

Narissa Tuner, Maggie Holland, Jaiko Celka, William Fox, Sarah Welch, Haley White, Madisen Fuller, Aileen Nicolas, Austin Pyle

Undergraduate Advisor (#2, Sustainability Grants, University of Georgia)

William Fox, Haley White

Undergraduate Advisor (#2, Sustainability Certificate, University of Georgia)

Caitlyn Smith, Madisen Fuller

Senior Thesis Advisor (#2, Warnell School of Forestry and Natural Resources, University of Georgia)

Narissa Tuner, William Fox

Assistant Research Scientist

Dr. Sarah Hitchner (2016-current)

Teaching Experience (F – Fall Semester | S – Spring Semester)

Current Courses

1. FANR 8200 (Scientific Research in Forestry and Natural Resources, 3 credit hours): S2014, F2014, S2015, F2015, S2016, F2016, F2017, F2018
2. FORS 8460 (Management and Modeling of Forest Carbon Resources, 3 credit hours): F2015, F2016, F2017
3. FORS 8020 (Bio-based Economy Seminar, 1 credit hours): S2014, S2015, S2016, S2017, S2018
4. FANR 4020/6020 (Sustainable Development, 3 credit hours): S2018
5. FANR 1500 (Fundamentals of Sustainable Development, 3 credit hours): S2017, F2017, F2018
6. FYOS 1001 (Exploring Sustainable Development, 1 credit hours): F2015, F2016, F2017, F2018

Previous Courses

FANR 4500 (Senior Project, 3 credit hours): S2015 | FANR 3300 (Economics of Renewable Resources, 2 credit hours): S2015, S2016, S2017, S2018.

Research Accomplishments

Member of Editorial Advisory Board: **Global Change Biology Bioenergy** (IF: 5.415)

Academic Editor (Forestry): **PLOS ONE** (IF: 2.766)

Associate Editor: **Forest Policy & Economics** (IF: 3.228)

Grant Accomplishments (About \$4.0 million as PI/Co-PI to the UGA)

1. Co-PI in BIOENERGY CAP (Southeast Partnership for Advanced Renewables from Carinata). USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI). Open Competition. Total \$15 Million. PI for UGA (\$2.1 Million). 2017-2022.
2. Co-PI in WATER CAP (Agricultural Water Security through Sustainable Use of the Floridan Aquifer: An Integrated Assessment of Economic and Environmental Impacts). USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI). Open Competition. Total \$5 Million. PI for UGA (\$1.2 Million). 2017-2022.
3. Co-PI in Ecosystem Service Tradeoffs, Landowner Incentives, and Optimal Policy Design to Promote Sustainable Longleaf Pine Agroecosystems. USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI). Open Competition. Total \$500,000. PI for UGA (\$100,000). 2017-2022.
4. Co-PI in Lupin, Cereal Rye, and Carinata Winter Cover Crops for Biomass in the Southern Coastal Plain. USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI). Open Competition. Total \$500,000. PI for UGA (\$190,017). 2017-2022.

5. PI in Increasing Practice of Sustainable Forestry among Minority and Limited Resource Forest Landowners in Georgia. USDA Southern Sustainable Agriculture Research and Education (SSARE). Open Competition. Total \$261,000. 2017-2021.
6. PI in Measuring the Unmeasured: Quantifying Impacts of SFI's Fiber Sourcing Standards in Georgia. Sustainable Forestry Initiative, Inc. Open Competition. Total \$87,836. 2016-2018.
7. PI in Impacts of Sustainable Forestry and African American Land Retention Project (SFLRP) on African-American Forest Landowners. US Endowment for Forestry and Communities. Total \$85,040. 2016-2017.
8. PI in Capturing Perceptions and Communication Structures of Southern African-American Family Forestland Owners. US Endowment for Forestry and Communities. Total \$6,000. 2014-2015.
9. PI in Capturing Perceptions and Communication Structures of Southern African-American Family Forestland Owners. USDA Forest Service Southern Research Station. Total \$8,000. 2014-2015.
10. Co-PI in Experimental Interventions To Facilitate Clean Cookstove Adoption, Promote Clean Indoor Air, And Mitigate Climate Change. United States Environment Protection Agency. Open Competition. Total: \$1.5 Million. PI for UGA (\$25,000). 2014-2018.
11. Co-PI in CLIMATE CHANGE CAP (Pine Integrated Network: Education, Mitigation, and Adaptation Project). USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI). Open Competition. Total \$20 Million. \$8,000. 2011-2017.

Presentations (*International Conferences, †an undergraduate/graduate student/postdoc/research scientist)

1. †Goyke N, Dwivedi P (2019) Race and Legacy Among Family Forest Landowners. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
2. †Bawa R, Dwivedi P (2019) An Optimization Approach for Land Resource Management under Water Quality Uncertainty. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 - November 03, 2019. [TALK]
3. †Secanho F, Dwivedi P (2019) The Impacts of Land Use Policies on the Provision of Ecosystem Services in Georgia, USA. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 - November 03, 2019. [TALK]
4. †Paudel K, Dwivedi P (2019) Spatiotemporal Assessment of Procurement Cost of Mills relative to the Adoption Rate of Loblolly Pine Plantations at the Landscape Level in the US South. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
5. †Masum F, Dwivedi P (2019) Economic and Environmental Feasibility of Wood-based Electricity Generation in South America: Case Study from Colombia. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
6. †Masum F, Dwivedi P (2019) Ascertaining Trajectory of Wood-based Bioenergy Development in the United States Based on Current Economic, Social, and Environmental Constructs. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
7. Dwivedi P, Upadhaya S† (2019) Blue over Green? Defining Typologies of Rural Landowners Growing Blueberry in Place of Forests in Georgia, United States. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
8. †Dwivedi P, Upadhaya S† (2019) Conversion of Forestlands to Blueberries: Assessing Implications for Habitat Quality in Alabama River Watershed in SE Georgia. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
9. †Aker H, Dwivedi P (2019) Economics of Intercropping Loblolly Pine and Oil-Seed Crops for Manufacturing Bio-Jet Fuel in the Southern United States. Society of American Foresters National Convention 2019. Louisville, Kentucky. October 30 -November 03, 2019. [TALK]
10. †Goyke N, Dwivedi P (2019) Do Complex Ownership Structures Affect African American Family Forest Management? International Symposium on Society and Resource Management, Oshkosh, WI. June 3, 2019 [TALK].
11. †Alam A, Dwivedi P (2019) Modeling Site Suitability and Production Potential of Carinata-Based Sustainable Bio-Jet Fuel in the Southeastern United States. International Conference on Biofuels and Bioenergy 2019. San Francisco, CA. April 29-May 01, 2019 [TALK].
12. †Goyke N, Dwivedi P, Thomas M (2019) Do Ownership Structures Effect Forest Management? An Analysis of African American Family Forest Landowners in South Georgia. National Sustainability Summit & National Extension Energy Summit. Tampa, FL. April 16-19, 2019 [POSTER].
13. †Bawa R, Dwivedi P (2019) Impact of Land Cover on Groundwater Quality in the Upper Floridan Aquifer in Florida, United States. Georgia Water Resources Conference 2019. Athens, GA. April 17, 2019. [POSTER]

14. †Secanho F, Dwivedi P (2019) Conservation Easements Are Effective in Maintaining Ecosystem Services in the Upper Chattahoochee Watershed. Georgia Water Resources Conference 2019. Athens, GA. April 17, 2019. [TALK]
15. †Fox W, Dwivedi P (2019) Estimating Carbon Stored by Tress on the University of Georgia Campus. National Conference of Undergraduate Research 2019. Kennesaw, Georgia. April 13, 2019. [TALK]
16. †Nicolas A, Dwivedi P (2019) Determining Changes in Spatial and Temporal Equitability of Park Access in Charlotte, North Carolina. National Conference of Undergraduate Research 2019. Kennesaw, Georgia. April 13, 2019. [TALK]
17. †Fuller M, Dwivedi P (2019) Exploring the Relationship Between Global Trade in Forestry Products, Biodiversity Loss, and Forest Certification in the Connected World. National Conference of Undergraduate Research 2019. Kennesaw, Georgia. April 13, 2019. [TALK]
18. †Pyle A, Dwivedi P (2019) Carbon Intensity and Economics of Electric and Gasoline-Powered Cars in the United States. The 2019 Center for Undergraduate Research Symposium. Athens, GA. April 8, 2019. [POSTER]
19. †Nicolas A, Dwivedi P (2019) Determining Changes in Spatial and Temporal Equitability of Park Access in Charlotte, North Carolina. The 2019 Center for Undergraduate Research Symposium. Athens, GA. April 8, 2019. [POSTER]
20. †Fuller M, Dwivedi P (2019) Did the Millennium Development Goals Reduce Global Inequality? Lessons for the Sustainable Development Goals. The 2019 Center for Undergraduate Research Symposium. Athens, GA. April 8, 2019. [TALK]
21. †Upadhaya S, Dwivedi P (2019) Forestlands to Blueberries: Assessing Implications for Habitat Quality in Alabaha River Watershed in Southern Georgia, United States. Annual Meeting of American Association of Geographers. Washington DC. April 3-7, 2019 [TALK].
22. †Alam A, Dwivedi P (2019) Modeling Site Suitability and Production Potential of Carinata-Based Sustainable Bio-Jet Fuel in the Southeastern United States. Annual Meeting of American Association of Geographers. Washington DC. April 3-7, 2019 [TALK].
23. †Alam A, Dwivedi P (2019) Farm to gate life cycle GHG emissions and economic analysis of Carinata based bio-jet fuel in the Southern United States. Carinata Biomaterial Summit 2019. Quincy, FL. March 5-7, 2019. [POSTER].
24. †Omid K, Dwivedi P (2019) Optimum Crop Rotation Considering Risk Analysis in the Presence and Absence of Carinata. Carinata Biomaterial Summit 2019. Quincy, FL. March 5-7, 2019 [TALK].
25. Akter HAA, Dwivedi P, Anderson W, Lamb M (2019) Economics of Intercropping Loblolly Pine and Oil-Seed Crops for Joint Production of Roundwood Products and Bio-Jet Fuels in the Southern United States. Carinata Biomaterial Summit 2019. Quincy, FL. March 5-7, 2019 [POSTER].
26. †Secanho F, Dwivedi P (2019) Does Quantification of Ecosystem Services Depend Upon Scale (Resolution and Extent)? A Case Study Using the InVEST Nutrient Delivery Ratio Model in Georgia, United States. The Warnell Graduate Students Symposium. Athens, GA. February 6-8, 2019. [POSTER]
27. †Goyke N, Dwivedi P (2019) The effects of landowner characteristic and ownership structure on forest management goals and activities. The Warnell Graduate Students Symposium. Athens, GA. February 6-8, 2019. [TALK].
28. †Secanho F, Dwivedi P (2018) The Sensitivity of the InVEST Nutrient Delivery Ratio Model to the Spatial Resolution of Input Data and Spatial Extent. A Community on Ecosystem Services Conference, Washington, DC. December 03-06, 2018. [POSTER]
29. †Secanho F, Dwivedi P (2018) Provision of Selected Ecosystem Services by Conservation Easements in the Upper Chattahoochee Watershed. A Community on Ecosystem Services Conference, Washington, DC. December 03-06, 2018. [TALK]
30. †Paudel K, Dwivedi P, Kianne S (2018). An Argument for Longleaf Pine: Comparing Economics of Yellow Pines across Southern United States. A Community on Ecosystem Services Conference, Washington, DC. December 03-06, 2018. [POSTER]
31. Dwivedi P (2018). Private Environmental Governance Improves Compliance Rate of Forestry Best Management Practices in Georgia. Guest Speaker: Environmental Policy (ECOL 8730). Athens, GA. October 30, 2018. [INVITED TALK | GUEST LECTURE]
32. †Paudel K, Dwivedi P, Kinane S, Sharma A (2018). An Argument for Longleaf Pine: Comparing Economics of Yellow Pines in Southern United States. 12th Biennial Longleaf Conference, 2018. Alexandria, LA. October 23-26, 2018. [TALK]

33. Dwivedi P (2018). Impacts of Sustainable Forestry Initiative Fiber Sourcing Standard on the Implementation Rate of Forestry Best Management Practices in Georgia. Sustainable Forestry Initiative Annual Conference 2018. Denver, Colorado. October 16-18, 2018. [INVITED TALK]
34. Dwivedi P (2018). Understanding Perceptions of Stakeholder Groups about Forestry Best Management Practices in Georgia. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
35. Dwivedi P (2018). Quantifying Impacts of Sustainable Forestry Initiative Fiber Sourcing Standards on the Implementation Rate of Forestry Best Management Practices in Georgia. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
36. †Goyke N, Dwivedi P (2018) Sustainable Management & Complex Ownership by African American Forest Owners. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
37. †Goyke N, Dwivedi P (2018) Management Outlook Diversity of African American Family Forest Owners. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
38. †Secanho F, Dwivedi P (2018) Assessment of Environmental Contribution of Conservation Easements in the Upper Chattahoochee Watershed. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
39. †Masum Md FH, Dwivedi P (2018). Estimating Carbon Abatement Cost of Electricity Generation from Bioenergy Feedstocks in Georgia. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
40. †Bawa R, Dwivedi P (2018) Impact of Land Use on Water Quality in the Upper Floridan Aquifer. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
41. †Paudel K, Dwivedi P, Kinane S (2018). An Argument for Longleaf Pine: Comparing Economics of Yellow Pines across the Southern United States. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [POSTER]
42. Dwivedi P (2018) Emerging Research on Impacts of Land Management on Water Resources. Guest Speaker: Land Conservation Skills. Athens, GA. July 25, 2018. [INVITED TALK | GUEST LECTURE]
43. Trianosky P, Dwivedi P (2018) Analysing Effects of SFI Fiber Sourcing on BMPs in Georgia. Conservation Impact Webinar Series, Sustainable Forestry Initiative. June 19, 2018. [WEBINAR]
44. Dwivedi P (2018) Do Rising Pulpwood Prices and Falling Sawtimber Prices Spell a New Sustainability Challenge for Transatlantic Wood Pellet Trade? International Consortium of Applied Bio-economy Research. The World Bank, Washington, DC. June 13, 2018*. [TALK]
45. Dwivedi P (2018) Forestry Resources, Ecosystem Services, and Land Use Changes in Georgia. Advancing Georgia's Leaders in Agriculture and Forestry. Statesboro, GA. May 16, 2018. [TALK]
46. Bettinger P, Dwivedi P, Cieszewski C, Siry J (2018) Development of International Cooperative Research on Sustainable Forestry Concepts Between the Republic of Turkey and the United States. Faculty of Forestry, Istanbul University. Istanbul, Turkey. May 02, 2018*. [TALK]
47. Dwivedi P (2018) Sustainability and Sustainable Development. Guest Speaker: Natural Resources Conservation (FANR 1100). Athens, GA. April 04, 2018. [INVITED TALK | GUEST LECTURE]
48. Dwivedi P (2018) Is Private Environmental Governance Working? Analyzing the Effects of the SFI Fiber Sourcing Standard on Forestry BMPs in Georgia. Department of Forestry, University of Kentucky. Lexington, KY. March 28, 2018. [INVITED TALK]
49. Dwivedi P (2018) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. March 27, 2018. [INVITED TALK | GUEST LECTURE]
50. Dwivedi P (2018) Effects of the SFI Fiber Sourcing Standard on the Average Implementation Rate of Forestry Best Management Practices in Georgia. 2018 International Society of Forest Resource Economics. Gatlinburg, TN. March 19-21, 2018* [TALK]
51. Dwivedi P (2018) Understanding Perceptions of Stakeholder Groups about Forestry Best Management Practices in Georgia, United States. 2018 International Society of Forest Resource Economics. Gatlinburg, TN. March 19-21, 2018* [TALK]
52. †Bawa R, Dwivedi P (2018) Total Wood Demand is a Significant Determinant of Forestland Acreage in the Southern United States. 2018 International Society of Forest Resource Economics. Gatlinburg, TN. March 19-21, 2018* [TALK]

53. Dwivedi P (2018) Measuring the Unmeasured - Quantifying Impacts of SFI's Fiber Sourcing Standards in Georgia. Sustainable Forestry Initiative Sounding Board Meeting. Washington, DC. March 7-8, 2018. [INVITED TALK]
54. †Bawa R, Dwivedi P (2018) Valuing the Economic Impacts Associated with the Adoption of Best Management Practices (BMPs) on Water Quality in the Upper Floridan Aquifer. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
55. †Jagadish A, Dwivedi P (2018) Deconstructing Networks, Unearthing Consensus: Diffusion of Cleaner Cookstoves in the Rural Himalayas, India. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
56. †Benez-Secanho F, Dwivedi P (2018) Assessment of Environmental and Economic Impacts of Conservation Easements in the Middle Chattahoochee Watershed. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
57. †Paudel K, Dwivedi P (2018) Assessing Trade-offs Across Ecosystem Services for Southern Longleaf Pine Ecosystems. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
58. Dwivedi P (2018) Determinants of Carbon Benefits for Wood Pellet-Based Electricity. Korean Delegation on Sustainable Bioenergy in Georgia. Warnell School of Forestry and Natural Resources. Athens, GA. January 10, 2018. [TALK]
59. Dwivedi P (2018) Sustainable Jet Fuel from Carinata. Guest Speaker: Sustainability Seminar (FCID 4200). Athens, GA. January 10, 2018. [INVITED TALK]
60. †Hitchner S, Schelhas J, Dwivedi P (2017) Successes of the African American Land Retention and Sustainable Forestry Program in NC, SC, and AL. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
61. †Hitchner S, Dwivedi P, Schelhas J (2017) Impacts of Social Networks on Adoption of Sustainable Forestry Practices among African Americans in NC. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
62. †Paudel K, Dwivedi P (2017) Assessing the Role of Wood Mills in Determining Supply of Forest-based Ecosystem Services in Georgia. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
63. †Tumpach C, Dwivedi P (2017) Analyzing Perceptions of Stakeholder Groups about Forestry Best Management Practices in Georgia. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
64. †Upadhaya S, Dwivedi P (2017) Ascertaining Extent of Deforestation in Southern Georgia Due to Agricultural Expansion: An Integrated Approach. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
65. †Tumpach C, Dwivedi P (2017) Assessing the Impacts of SFI's Fiber Sourcing Standard on the Sustainability of Georgia's Forest Resources. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
66. †Jagadish A, Dwivedi P (2017) Cultural consensus on fuelwood consumption and diffusion of cleaner cookstoves in Himachal Pradesh, India. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
67. Dwivedi P (2017) Determinants of carbon benefits for transatlantic wood pellet trade. International Consortium on Applied Bio-economy Research Annual Conference. University of California, Berkeley. Berkeley, CA. May 30-June 02, 2017*. [TALK]
68. Dwivedi P (2017) Nexus between bioenergy development, land use change, and climate change on water availability: A case study from Oconee watershed. Georgia Water Resources Conference. Athens, GA. April 19-20, 2017. [TALK]
69. †Jagadish A, Dwivedi P (2017). Cultural Influences on Diffusion of Cleaner Cookstoves in Lower Himalayas, India. First International Conference on Energy Research and Social Science. Melia Sitges, Spain. April 02-05, 2017*. [POSTER]
70. †Tumpach C, Dwivedi P, Izlar R, Cook C (2016) Quantifying Indirect Benefits of the Sustainable Forestry Initiative's Fiber Sourcing Standards in Georgia. 3rd Annual Sustainability Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. December 06, 2016. [POSTER]
71. †Upadhaya S, Dwivedi P (2016) Why expansion in the demand for blueberries is responsible for deforestation in southern Georgia? Understanding through an integrative approach. 3rd Annual Sustainability Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. December 06, 2016. [POSTER]

72. Dwivedi P (2016) Does wood-based bioenergy really saves carbon? Tales from GA. 3rd Annual Sustainability Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. December 06, 2016. [INVITED TALK]
73. Dwivedi P (2016) When does wood-based bioenergy really saves carbon? A conceptual approach with examples. Bio-based Industry Center, Iowa State University. Berkeley, CA. December 02, 2016. [INVITED TALK]
74. Dwivedi P (2016) African-American forest landowners and sustainable forest management in the US South. Resiliency Faculty Learning Community. Office of Sustainability, University of Georgia. Athens, GA. November 16, 2016. [INVITED TALK]
75. Dwivedi P (2016) Use of wood pellets is “evil” from carbon perspective. Really? Society of American Foresters National Convention 2016. Madison, WI. November 05, 2016. [TALK]
76. Dwivedi P (2016) Exploring nexus of emerging bioenergy markets, land use change, and changing climate on water availability: A case study from Oconee River Basin in Georgia. Society of American Foresters National Convention 2016. Madison, WI. November 04, 2016. [TALK]
77. Dwivedi P (2016) Current status of emerging technologies and markets. Georgia Master Timber Harvester Workshop. Forsyth, GA. June 15-16, 2016. [INVITED TALK]
78. Dwivedi P (2016) Current status of emerging technologies and markets. Georgia Master Timber Harvester Workshop. Tifton, GA. April 13-14, 2016. [INVITED TALK]
79. Dwivedi P (2016) Tracking economic and environmental indicators of exported wood pellets to the United Kingdom from the southern United States: lessons for policy? 2016 Meeting of the International Society of Forest Resource Economics. Raleigh, NC. April 3-5, 2016*. [TALK]
80. †Shrestha S, Dwivedi P (2016) Determining impact of wood pellet production on water availability: A case study from NE Oconee River Basin. 2016 Meeting of the International Society of Forest Resource Economics. Raleigh, NC. April 3-5, 2016*. [TALK]
81. †Upadhaya S, Dwivedi P (2016) Assessment of Profitability of Competing Land Use Systems: Blueberry Production vs. Loblolly Pine Plantation in Southern Georgia. 2016 Meeting of the International Society of Forest Resource Economics. Raleigh, NC. April 3-5, 2016*. [TALK]
82. Dwivedi P (2016) What is the real carbon footprint of wood used for energy? Forest Bioenergy Conference. Forsyth, GA. March 24, 2016. [INVITED TALK]
83. Dwivedi P (2016) Measuring the unmeasured: quantifying impacts of SFI’s fiber sourcing standards in Georgia. Drax Biomass Headquarters. Atlanta, GA. March 14, 2016. [TALK]
84. Dwivedi P (2016) Efficacy of carbon and bioenergy markets in mitigating carbon emissions on reforested lands: A case study from southern United States. All Team PINEMAP Meeting. School of Forest Resources and Conservation. University of Florida. Gainesville, FL. Feb 18, 2016. [INVITED TALK]
85. †Shrestha S, Dwivedi P (2016) Impact of wood pellet production on local water availability: a case study from Upper North Oconee River Basin in Georgia. Warnell Graduate Student Association Symposium. Athens, GA. January 20-22, 2016. [TALK]
86. †Upadhaya S, Dwivedi P (2016) Arresting deforestation in southern Georgia through sustainable landscape management. Warnell Graduate Student Association Symposium. Athens, GA. January 20-22, 2016. [TALK]
87. †Shrestha S, Dwivedi P (2015) Impact of wood pellet production on local water availability: A case study from NE Oconee river basin. 10th Southern Forestry and Natural Resources Management GIS Conference. Athens, GA. December 7-8, 2015. [TALK]
88. Dwivedi P (2015) Are forest carbon and bioenergy markets really going to save carbon on reforested lands? Department of Forestry & Environmental Resources, North Carolina State University. Raleigh, NC. November 13, 2015. [INVITED TALK]
89. Dwivedi P (2015) Economic and environmental sustainability of transatlantic wood pellet trade. Society of American Foresters National Convention 2015. Baton Rouge, LA. November 06, 2015*. [TALK]
90. Dwivedi P (2015) Do markets for forest carbon and wood-based energy products always save carbon? Society of American Foresters National Convention 2015. Baton Rouge, LA. November 06, 2015*. [TALK]
91. Dwivedi P (2015) Participation of Black-American forest landowners in federal landowner assistance programs. Society of American Foresters National Convention 2015. Baton Rouge, LA. November 05, 2015*. [TALK]
92. Dwivedi P (2015) Economic and environmental sustainability of transatlantic wood pellet trade. PMRC Advisory Committee Meeting. Athens, GA. July 15-16, 2015. [POSTER]
93. Dwivedi P, †Jagadish A, Schelhas J (2015) Why Black-American family forest landowners do not actively participate in federal landowner assistance programs in US South? 21st International Symposium on Society and Natural Resources. Charleston, SC. June 17, 2015*. [TALK]

94. Dwivedi P, †Jagdish A, Schelhas J (2015) Why southern Black-American family forest landowners do not actively participate in federal landowner assistance programs? Southeastern Recreation Research Conference. Asheville, NC. March 24, 2015. [TALK]
95. Dwivedi P (2015) Economic and environmental sustainability of transatlantic wood pellet trade. Department of Agriculture and Applied Economics, University of Georgia. Athens, GA. March 18, 2015. [INVITED TALK]
96. Dwivedi P (2015) Economic and environmental sustainability of transatlantic wood pellet trade. The Economics of Climate Change Mitigation Options in the Forest Sector. International Online Conference. Food and Agricultural Organization. Rome, Italy. February 20, 2015*. [INVITED TALK]
97. Dwivedi P (2015) Do markets for forest carbon and wood-based energy products save carbon? 2015 Southeastern Regional Sun Grant Conference. Auburn, AL. February 04, 2015. [TALK]
98. Dwivedi P (2015) Forest Sustainability Lab. Sustainability Science Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. January 23, 2015. [TALK]
99. †Arundhati J, Dwivedi P (2015). Drawing linkages between social networks and barriers to adoption of improved cookstoves in India. Sustainability Science Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. January 23, 2015. [TALK]
100. Dwivedi P (2014) Perceptions of stakeholder groups on participation of African-American forestland owners in federal landowner assistance programs. US Endowment for Forestry and Communities. Athens, GA. November 5, 2014. [WEBINAR]
101. Dwivedi P (2014) Life cycle and economic analyses of wood pellets exported from the Southern United States to the United Kingdom for electricity generation. Southern Forest Economic Collaborative. Raleigh, NC. November 3-4, 2014. [POSTER]
102. Wang W, Khanna M, Dwivedi P, Abt R (2014) Economic analysis of the role of forest biomass in bioenergy production in southern US. 2014 Agricultural & Applied Economics Association Annual Meeting. Minneapolis, MN. July 27-29, 2014. [POSTER]
103. Brazee R, Dwivedi P (2014) Optimal forest rotation with multiple product classes. Scandinavian Society of Forest Economics. Uppsala, Sweden. May 22, 2014*. [TALK]
104. Dwivedi P (2014) Potential carbon benefits of transatlantic wood pellet trade. Bioenergy System Research Institute Annual Retreat. Athens, GA. May 2, 2014.
105. Wang W, Khanna M, Dwivedi P (2014) Economic viability of feedstocks mix for meeting RFS: the role of forest biomass. Energy Biosciences Institute Internal Seminar, Urbana, IL. April 17, 2014
106. Dwivedi P (2014) Abatement cost of wood-based energy products on afforested and reforested lands at the production level. Southeastern Recreation Research Conference. Asheville, NC. April 1, 2014.
107. Dwivedi P (2014) PINEMAP: Pine Integrated Network: Education, Mitigation, and Adaptation Project - A Coordinated Agricultural Project. Sustainability Science Symposium and Workshop. Center for Integrative Conservation Research. Athens, GA. February 28, 2014.
108. Dwivedi P, Khanna M, Sharma A (2014) Do markets for forest carbon and wood-based energy products always save carbon? Warnell Seminar, Warnell School of Forestry & Natural Resources at the University of Georgia, Athens, GA. February 27, 2014.
109. Greene DW, Dwivedi P, Dean J, Tsai CJ, Markewitz D, Merkle S, Hubbard W (2013) Forestry research at UGA related to bioenergy & biofuels. Georgia Tech - University of Georgia Biofuels Summit, Gwinnett, GA. December 17, 2013.
110. Dwivedi P (2013) Potential greenhouse gas benefits of transatlantic wood pellet trade. Georgia Biomass, Waycross, GA. December 4, 2013.
111. Dwivedi P (2013) Role of pine plantations in regional carbon dynamics. PINEMAP Aim 4 Meeting, Gainesville, FL. University of Florida. October 18, 2013.
112. Wang W, Khanna M, Dwivedi P (2013) Optimal mix of feedstock for biofuel: Implications for land use and GHG emissions. Agricultural & Applied Economics Association's 2013 Annual Meeting. Washington, DC. August 4-6, 2013.
113. Dwivedi P (2013) Cost of abating greenhouse gas emissions for wood-based electricity and ethanol in US South. Warnell School of Forestry and Natural Resources, University of Georgia. June 27, 2013.
114. Dwivedi P, Hudiburg T, Wang WW, Jaiswal D, DeLucia E, Khanna M, Long S, Parton B, Voigt T (2013) Spatial and temporal variability in carbon intensity and production cost of cellulosic biofuel feedstocks. North Central Region Sun Grant Center Annual Meeting, Chicago, IL. March 26, 2013.
115. Carter DC, Dwivedi P (2013) Environmental life cycle assessment. PINEMAP Teaching Webinar. School of Forest Resources and Conservation, University of Florida. February 19, 2013.

116. Dwivedi P (2013) Leave, burn, or use logging residues for bioenergy development? An insight from a bio-economic model. Program on Environmental and Resource Economics, Department of Agricultural and Consumer Economics, University of Illinois at Urbana-Champaign. February 12, 2013.
117. Dwivedi P (2013) Quantifying changes in long-term carbon sequestered in wood products and wood present in landfills due to utilization of pulpwood and logging residues for bioenergy development. PINEMAP Webinar. School of Forest Resources and Conservation, University of Florida. February 05, 2013.
118. Dwivedi P (2013) Is use of pulpwood and logging residues for bioenergy development a viable carbon mitigation strategy? Texas A&M Forest Service, College Station, TX. January 17, 2013.
119. Dwivedi P (2012) Does wood-based electricity generation reduce GHG emissions? An exploration considering forestland holdings, harvest age, and power plant capacities. PINEMAP Webinar. School of Forest Resources and Conservation, University of Florida. October 19, 2012
