Notes:

- **DO NOT connect cables directly to any of the displays or in the lectern.**
- Each table is connected to a nearby display on the wall via HDMI through the floor.
- Each table can display 1 computer via HDMI cable. If cable is missing, let us know.
- Each table can power the display and adjust volume using the **wall plate**.

- Use the instructor AMX touch panel to share each display to all the other displays.
- Each table includes 3 power/internet/usb hubs.
- 2ft ethernet cables & printer paper in wooden cabinet under printer.
- Electronic Whiteboards: Connect using SmartKapp app, bluetooth, & the QR code.
- Draw and erase as with a normal whiteboard.
- Drawings can also be saved using a USB flash drive on the right side port.
- **Please do not touch, open, connect, disconnect, jiggle, wiggle or mash anything in the instructor lectern or the data closet. Thanks ;-).**
