Notes:

- Use touch panel to turn on/off projector and lower screen.
- Computer is in cabinet below. Keys can be checked out through CTL at the MLC.
- Turn on computer and monitor with power buttons on those components.
- The monitor is interactive, the pen is stored on the top rear of the display. This allows you to do things like annotate PPT slides.
- Adjust the room lighting using the "Lighting" tab.
- Select device (desktop, laptop VGA/HDMI, document camera, DVD, Aux) on touch panel.
- Audio adjusts on computer and on touch panel under the "audio" tab.
- There is a microphone system in the cabinet below.
