The Warnell Homecoming Golf Tournament is dedicated to the memory of Reid Parker for his commitment to Warnell and its students. This longstanding event is typically a highlight of the year. This year’s tournament will look a little different, but we are depending on you, our most loyal supporters, to follow Reid’s example by remaining committed to Warnell and its students.

Since 2008, Warnell’s Young Alumni Committee has raised more than $350,000 to support the school through the golf tournament with the support of matching funds from the family of J. Reid Parker. These funds have been used to create three endowed scholarships, update a classroom, and support numerous other school priorities. In the last eight years, these three scholarship endowments have generated scholarships for 88 students, all thanks to your support!

This year, funds from the tournament will support an initiative that will benefit all Warnell students. The Young Alumni Committee is creating an endowment to fund a Warnell student intern to deliver “learn to hunt” programs for all Warnell students. These programs will allow students to experience outdoor recreation in a safe, comfortable, and supervised setting and are aimed at engaging students who grew up without access to these types of opportunities.

We hope you will consider continuing your support of Warnell. The school is strong because of you.

**SPONSORSHIP LEVELS**

We are still moving forward with plans for an in-person golf tournament on October 2nd. To ensure the safety of our players, attendance will be capped at 68 and play will follow tee times instead of a shotgun start. Registration for players is not included as a sponsor benefit and will open on September 4th. For each level below, you will see benefits guaranteed, as well as italicized benefits included if conditions allow for an in-person tournament.

**Silver Sponsorship: $250**
- Acknowledgement in The Log magazine
