The Warnell Homecoming Golf Tournament is dedicated to the memory of Reid Parker for his commitment to Warnell and its students. This longstanding event is typically a highlight of the year, and we are excited for it to return this year at a new venue, Lane Creek Golf Course!

Since 2008, Warnell’s Young Alumni Committee has raised more than $400,000 to support the school through the golf tournament with the support of matching funds from the family of J. Reid Parker. These funds have been used to create three endowed scholarship, update a classroom, and support numerous other school priorities. In the last nine years, these three scholarship endowments have generated scholarships for 98 students, all thanks to your support!

This year, funds from the tournament will support an initiative that will benefit all Warnell students. The Young Alumni Committee is creating an endowment to fund a Warnell student intern to deliver “learn to hunt” programs for all Warnell students. These programs will allow students to experience outdoor recreation in a safe, comfortable, and supervised setting and are aimed at engaging students who grew up without access to these types of opportunities.

We hope you will consider continuing your support of Warnell. The school is strong because of you.

**SPONSORSHIP LEVELS**

**Silver Sponsorship:** $250 ($250 tax deductible)
- Acknowledgment in *The Warnell Log* magazine
- Recognition on event website
- Recognition at tournament

**Gold Sponsorship:** $500 ($370 tax deductible)
